

HOT OFF THE LAB:

The new **AUSSAAT** product is a **C-46 cassette** in a very limited edition: 16 copies numbered from 01 to 16 + 2 copies marked HCO1 and HCO2 reserved for collaborators.

It is sold **18 euros + postage costs**.

Tracks:

C 46 - CrO₂ - Dolby B.
– digitally restored and enhanced using the original master tapes;
– duplicated on Akai HX-A301W stereo double cassette deck (1986).

Cassette design:

This is the original 1987 printwork.
– platen press printed label stucked on a linocut background;
– each cover has patterns variations that make it unique.

Each copy is numbered at the back of the cover and on the spine of the cassette, near the erase head housing.

➤ This is a collector's edition. We are preparing a "classical" edition of this cassette, which will be manufactured in limited edition of 100 copies in all.

➤ In order to prevent vulgar speculation, we deliver *one* supply package per person and household address. Not for resale.

This rare item can only be ordered directly from the author: hammerbones@free.fr
